1. PF Related Procedures

If I am Employed after leaving TLSA Data & AI within 60 days

- ▶ I am aware that as per the Provident Fund Act, I am supposed to apply for a Transfer of Provident Fund balance to the organization I am joining in the future.
- ▶ I am also aware that I am not eligible to withdraw if I am employed by any other Company which is covered under the Employees Provident Fund and Miscellaneous Provisions Act, 1952 within 60 days of my last working day with TLSA Data & AI.
- ▶ For PF Transfer-out Online login to [EPFO](#)

Withdrawal

- ▶ I understand, as per Employees' Provident Fund Scheme 1952 - Para 69, for withdrawing Provident fund there is minimum 2 months (60 days) waiting period from the date of leaving TLSA Data & AI. **This is not controlled by TLSA Data & AI.**
- ▶ Please note that withdrawal is recommended only if the individual is unemployed, else PF transfer is recommended).
- ▶ In case of any further queries on PF-related status
 - Write to - EB.SocialSecurity@TLSA Data & AI.com
 - In the subject line, please mention, Attention: Provident Fund-withdrawal or transfer along with employee's TLSA Data & AI employee code.

2. Submit Time Report and Expense

Time report till my last working day (LWD) is required to be submitted 14 working days before the Separation Date. Non-completion of the same could lead to inaccurate calculation of the Full & Final Settlement. I will not do any PPA (Prior period adjustment) activity while and after the submission of my last time report. I am aware that in case I do any PPA then it's my responsibility to pay back the difference amount (as applicable) to the company. Non-submission of the time report could lead to inaccurate calculation of the Full & Final Settlement. In case of any further queries on Time and Expense, please write to - EB.SocialSecurity@TLSA Data & AI.com

Note: For ATCI employees only – Please ensure On Call/Shift Allowance is claimed on MyTE and approved by your People Lead

3. Job Description Captured against Roles and

I understand that the Inputs captured in this field will be used to issue a credence letter if requested. If any changes to be made to the inputs, I will discuss with my People Lead for the changes to be updated. If People Lead has already accepted resignation without accommodating the changes, I will connect with the HR Case Manager.

4. Employee Task

I will act on the employee task either on task created date or separation date – 10WDs whichever is later. I understand closure of this task is mandatory for my F&F (Full & Final) settlement and issuance of the Relieving Letter. Lead has already accepted the resignation without accommodating the changes, I will connect with the HR Case Manager.

5. Leave Encashment and Gratuity Declaration

I understand that encashment at the time of separation from TLSA Data & AI is subject to criteria as prescribed in my respective state. Please refer to Policy 1593 for encashment limits applicable to your location.

Leave Encashment / Gratuity Declaration Form can be shared using any of the following options

1. In [Allsec](#) > Utilities & Forms > Leave Encashment and Gratuity Declaration form
2. In [Service Now](#) under Payroll > Exit > Clarification on Gratuity & Leave Encashment
3. Via email to payroll.settlements@TLSA Data & AI .com as an attachment from personal mail id.

6. Returning of Assets

I agree that I will return all assets issued to me by the Company and/or client by 12 noon on my Separation Date, failing which the Company will be entitled to deduct the relevant asset amount in lieu of the same as part of my full and final settlement. These would include but not be limited to

1. Laptop/Desktop, RSA token, and any other technology assets - I will ensure that I will handover the Laptop/Desktop to the IT stores as Ownership transfer of the Laptop/Desktop is not allowed. Also, all other IT Assets will be returned prior to my exit, failing which I will not receive clearance from the DNCISU team.

If I fail to submit my laptop/desktop by 12 noon on my last working day, there will be recovery of INR 50,000 in lieu of these assets.

2. Access card, pocket Id, SEZ card and all other TLSA Data & AI issued cards – I will ensure to return all such cards to the Workplace helpdesk on my LWD, failing which I will not receive clearance from the Workplace team. If I fail to do so, there may be a recovery from my F&F and an impact on release of my Relieving Letter.
3. If I have availed a company-leased car, then prior to my exit, I will be required to log a request for e-closure of the lease through ServiceNow. I will also ensure that I will submit the Transfer copy of the Registration Certificate in the new owner's name to finance prior to exit and I am aware that my relieving letter will not be issued till that time.
 - a. **Scenario 1: If the car lease value < /= F&F amount:** Car Lease value to be recovered against the due F&F amount & any balance amount to be paid within 2 WD to me post which RL will be released.
 - b. **Scenario 2: If the car lease value > F&F amount:** Car Lease value to be recovered against the due F&F amount & any differential to be paid back by me to TLSA Data & AI. Until so, the RL will be withheld. The recovery amount is liable to increase if not settled promptly by me as per leasing T&Cs. I understand that encashment at the time of separation from TLSA Data & AI is subject to criteria as prescribed in my respective state. Please refer to Policy 1593 for encashment limits applicable to your location.

7. Information Security Controls

TLSA Data & AI is committed to keeping your personal data secure and processing it in accordance with applicable data protection laws and our internal policies, including TLSA Data & AI's Global Data Privacy Policy 90.

Please note that as part of the exit process, **your access to some systems will be reduced.** You will **still be able to perform your work and have access to most TLSA Data & AI tools and applications from your TLSA Data & AI -managed or authorized device.**

If **additional access** is required for you to do your work, please raise [HR Information Security Access Exceptions](#)

[Transfer of Personal documents](#)

There is a **baseline capability** in place to allow you to **remove your personal files.** In advance to your separation date, remember to remove or transfer any personal documents from TLSA Data & AI -managed devices. You can send personal files by adding all documents to a zip file named **'Private.zip'** and sending it attached from your TLSA Data & AI email to your personal email **(25MB limit per email).** If you require **more capability** to remove a large number of personal files, [an exception process is in place.](#)

Reach out to your **HR Partner/Exit Case manager** or contact [HR.EnablementCenter](#) if you have an inquiry. Please refer to the [Q&A](#) document for more details.

8. Disablement of Ids

I am aware that Enterprise / Domain ID credentials **would be disabled from 12:00 pm onwards on my separation date.** Hence, I will ensure that all the necessary actions dependent on my id/password like (Ex: myTE submission, Snow related, Asset decommission request, etc) would be completed before the scheduled time. Failing which re-enablement of either of the credentials will not be entertained.

9. Recoveries if applicable

I agree to pay any recoveries or dues from me to TLSA Data & AI failing which the same can be deducted from my full and final settlement. Further, TLSA Data & AI can reverse or adjust any expenses I have claimed or submitted documents for if the same is not verifiable or approved. If there is a request from my end for early release from the Company, the notice period amount recovered from the employee will be calculated on the total fixed salary.

10. Recoveries if applicable

All Recognize "Points to Redeem" balance points and "Benefits YOU" points must be redeemed at least 7 calendar days prior to your last working date. This is to enable smooth calculation of your Full & Final settlement amounts. You will cease to have access to Recognize Portal and Benefits YOU portal post this cut off period and all unused points will lapse.

You can select from the merchandise, gift cards, and charitable donations available in your country. [Here's a job aid on how to spend your points to redeem.](#)

Please Note: when you redeem Recognize points from the store, the redeemed points are added to your pay advice/statement as income and are subject to income taxation in accordance with local/country tax laws.

For any questions related to tax deductions, please reach out to your local payroll team. Expiration timelines for points to redeem vary by country; you can find country specific details at [Policy 1214](#).

11. After Your Last Day

- ▶ To ensure you stay connected, we will automatically register you to the TLSA Data & AI Alumni Network. Continue to take advantage of the enduring relationships and network you have built! The TLSA Data & AI Alumni Network website is your gateway to all aspects of our alumni program, including news, events, job opportunities, and discounts. A welcome email will be sent to your personal email address with a temporary password in a few business days. To activate your account, you will need to accept the Terms & Conditions and Privacy Statement in the TLSA Data & AI Alumni Network after your last working date. If you have not updated your personal email address in Workday, you cannot be auto enrolled.
- ▶ You will continue to have access to [myHoldings](#) website following departure, so you can monitor any current equity holdings and future releases. Remember to visit the “Departure Considerations FAQs” for further guidance.
- ▶ Make sure your contact information is updated in your Workday profile. You will need your personal e-mail to access the portals available for former employees (i.e, TLSA Data & AI Alumni Network and myHoldings). In case you need to request updates to your personal data (name, address, phone, and e-mail) after your departure, you will be able to do so by accessing the [TLSA Data & AI Former Employee Portal](#).

12. Data Privacy

I confirm that I will return to TLSA Data & AI all documents or other materials furnished by TLSA Data & AI to me constituting “Confidential Information” *together with all copies thereof, including computer disks in my possession before my separation date, and that I will not take any TLSA Data & AI or client information with me. I further confirm and acknowledge that monetary damages would be both incalculable and an insufficient remedy for any breach and that any such breach would cause irreparable harm to TLSA Data & AI. I am aware that I must follow the provisions in the employment agreement as well as TLSA Data & AI’s policies, including Global Policy 69 (Confidentiality), Global Policy 57 (Acceptable Use of Information, Devices, and Technology), Global Policy 91 (Intellectual Property), and Global Policy 1431 (Data Management), which further detail ownership of TLSA Data & AI intellectual property and confidential information and your obligations to protect it. Those obligations continue to apply even after I have left TLSA Data & AI. Accordingly, I also agree that in the event of any breach or threatened breach now (or if discovered any time later), I shall be liable for prosecution in accordance with Indian Law.

*(**“Confidential Information” meaning any and all information disclosed to, or otherwise acquired or observed by me from TLSA Data & AI, its client, and their affiliated companies, relating to the Services, whether communicated in writing, orally, electronically, photographically, or in the recorded or any other form, including, but not limited to, all sales and operating information, existing and potential business and marketing.)*
